

Reefton Area School - Te Kura Takiwa o Reefton

We have another busy week coming up.

On Tuesday we have the Rural Careers Promotion Programme visit. We have students from a variety of Health disciplines such as Pharmacy, Psychology, Speech Language Therapy, Medicine, Podiatry, and Oral Health who are studying with a range of providers coming to talk to our students. Firstly they will talk to our senior students who are considering a career in Health, and then they will talk to all the students in our Year 8/9 class and our Year 10 students.

On Wednesday we have Kimberly Neilson from Buller REAP coming in to work with students who are nearly ready to sit their Learner License.

Also on Wednesday we have our school Cross country which had to be postponed in term 1. There are more details about this fun event on page 2. Looking at the long range weather forecast we might have hopefully picked a good day for this event.

On Thursday our senior students attending the National Area Schools' Tournament in Te Awamutu are organizing a Matariki Disco for students from pre-school to Year 8. More details on page 2.

School will be closed on Friday 28 June for Matariki.

We have reports going out for students up to Year 10 next week. We have noticed that a lot of people who have moved recently have not updated their address with us. If you think we may not have an updated address for you please ring the office so you receive your children's reports.

Friday 28 June

PB4L Focus - Show Respect for Other People

Use polite appropriate language;

Ensure the language you use does not offend anyone who can hear it;

Remember to use your manners by using please and thank you appropriately;

Call people by their proper name;

Use a non-aggressive tone of voice;

Always let the speaker finish before you speak.

Empowerment Trust

The Empowerment Trust will be spending a day with our Year 10 class on Thursday 27 June. The subjects they will be covering are:

- Healthy Relationships
- Consent
- How to support each other to be safe
- Using Technology safely

If you have any concerns about your child being part of this programme please contact Sue.
